12. Minutes of the 20<sup>th</sup> E.C dated 01.08.2012

With a view to reduce IMR & MMR , a scheme for hiring the services of private Anaesthetists & Obstetricians for providing Emergency Obstetric Care services on payment of Honorarium of Rs. 500 per surgery was introduced during the RCH- phase-I of TamilNadu in 75 identified First Referral Units (Ref.No.1 ) where the services of Government Anaesthetists & Obstetricians are not available. In addition, Rs.500 /day visit for 5 FW surgeries with Rs. 100 for each additional case for each of the specialist and a transport allowance of Rs.100 per visit when Government Vehicle was not provided, was given.

Based on the success of the scheme it was extended to all the FRUs and PHCs.(Ref.No.2) and to all the urban Health Posts functioning under local bodies covering six corporations and other Municipalities.(ref.No.3)

FRUs improved their EmOC services with referrals to higher Institutions considerably reduced and improved FW surgery performances in primary & secondary care Institutions.

Under RCH-II, Govt accorded sanction for the continuance of the scheme. (Ref. No.4).The Honorarium to Anaesthetist was increased to Rs.1000 from Rs.500 and that of Obstetrician to Rs.800 as allowed by GoI.

4<sup>th</sup> E.C of State Health Society approved Rs.1000/ case for obstetrician also on par with anaesthetist (Ref.No 5) and the Proceedings were issued (Ref.No.6) by the Mission Director, SHS.

9<sup>th</sup> E.C of SHS approved Rs.1000/ session for the first 5 FW cases and Rs. 150 as additional remuneration for each case after the 5<sup>th</sup> case. (Ref.No.8)

To bridge the gap in specialist services especially in Emergency Obstetric Care in remote areas of the State and to utilize all the health facilities provided with theatre facilities optimally, multi-skilling of MBBS qualified Government Medical Officers in

LSAS and EmOC services is being implemented successfully in the State as recommended by GoI.

These trained medical officers have been provided with a monetary incentive of Rs. 200 per LSCS surgery or Emergency Obstetric procedure or Family Welfare session attended by them in addition to eligible TA & DA.(Ref.No.9)

Details of Honorarium being provided to the Private Obstetrician & Anaesthetist and the monetary incentive given to the trained M.Os at present are stated below.

During the review meetings and field visits , the District health officials have shared the reluctance of even the service minded private health specialists to attend the Government Health Institutions especially for provision of EmOC as the Honorarium is relatively meager and the time spent on travel specifically during nights is huge with additional risks involving safety & security.

Based on their representations, a proposal to increase the Honorarium and monetary incentives to the private specialists and trained Government M.Os along with expansion of the scheme to include Govt. specialists on certain terms and conditions was included in PIP 2012-13(Ref.No.10).

The same has been approved by NPCC vide Ref. No 11 and also approved by the 20<sup>th</sup> E.C. meeting (Ref. No.12).

The revised guidelines as approved by the Executive Committee of State Health Society ,for provision of

- (A) Honorarium for hired private specialists
