Order:

The following announcement has been made in the Governor's Address 2011-12

" All Urban Public Health Centres will be upgraded to round the clock units to benefit the urban poor."

In the Budget 2011-2012 it was announced as follows:

"As already announced the Urban Health Centres functioning in urban areas under the control of Urban Local Bodies (ULBs) will be provided with three Staff Nurses to provide 24x7 care on par with the PHCs in rural areas."

2. The Commissioner of Municipal Administration in his letter dated 3.8.2012 has sent a proposal for issue of necessary Government orders to implement the above announcement. He has stated that

- i. The new 117 Urban PHCs sanctioned in G.O(Ms).130, Health and Family Welfare Department dated 30.4.2012 in the Municipalities and Corporations, which are brought under the administrative control of the Director of Public Health and Preventive Medicine may be upgraded into 24x7 by creating 3 posts of additional staff nurses, and the new staff may be recruited by the Director of Public Health and Preventive Medicine.

- ii. In addition to the above, out of the 9 Corporations (other than Chennai) in the 5 Corporations i.e., Coimbatore, Erode, Tiruppur, Vellore and Madurai, new Urban Health Centres have been created in the erstwhile Municipalities which have been merged with them. Therefore in addition to the upgradation of the newly created Urban Primary Health Centres into 24x7 in the added areas of the above Corporations, four Health centres one in each zone of nine Corporation i.e., Coimbatore, Madurai, Trichy, Salem, Tirunelveli, Tiruppur, Erode, Vellore and Thoothukudi may be upgraded into 24x7 by creating three additional Staff Nurse posts (i.e., 36 centres may be upgraded by creating 108 Staff Nurse posts)
- iii. Further in the following Municipalities where new Urban Primary Health Centres have not been created recently, one of the existing Health Centres, may be upgraded into 24x7 by creating 3 additional Staff Nurse posts (i.e., 13 centres may be upgraded by creating 39 Staff Nurse posts.

1	Pallavapuram	8	Kumbakonam
2	Tambaram	9	Nagapattinam
3.	Avadi	10	Pudukottai
4.	Cuddalore	11	Dindigul
5.	Tiruvannamalai	12	Nagercoil
6.	Pollachi	13	Rajapalayam
7.	Thanjavur		

- i. The above Corporations and Municipalities may be permitted to fill up the additional staff nurse posts as per the service rules. The additional cost involved will be Rs. 5,01,68,160/-.
- ii. At present, no Urban Health Centre is available in 1)Maraimalainagar, 2) Anakaputhur, 3) Jolarpet, 4) Melvisharam, 5) Ambasamuthram, 6) Vikramasingapuram, 7) Thiruthangal, 8) Valparai, 9) Punjaipuliampatti, 10) Vellakoil, 11) Thuvakudi, 12) Gudalur (Theni) Municipalities. Hence, one new Urban Primary Health Centre may be created in the above Municipalities with the staff pattern already sanctioned in G.O(Ms).No.130, Health and Family Welfare Department dated 12.4.2012 and additionally 3 staff nurse posts may also be created for running these centre into 24x7 and these centres may be brought under the administrative control of Director of Public Health and Preventive Medicine.

- iii. If the above proposals are agreed to, the question of maintenance of separate seniority will not arise, since the staff created for the newly sanctioned Urban Primary Health Centres will be under the administrative control of the Director of Public Health and Preventive Medicine. In respect of Corporations and other Municipalities, where already centres are in operation, the 3 additional staff nurse are to be appointed by the respective Urban Local Bodies as per their service rules. Hence, there will not be any problem in fixing the seniority of the new appointees.
