HEALTH AND FAMILY WELFARE (N2) DEPARTMENT

G.O.(Ms.) No. 98

Dated: 23.3.2018.

திருவள்ளூர் ஆண்டு - 2049
ஹேவிளம்பி, பங்குனி-9.

Read:

1. From the State Planning Commission, TANII meeting vide Lr. No.1928/HSW/SPC/2017, dated 17.11.2017.
2. From the Chairman & Mission Director(in-charge) State Health Society, letter No.13134/ P9/SHS/2017, dated 15.02.2018.

ORDER:

In the reference first read above, the State Planning Commission among others has recommended to meet the cost of equipment under Tamil Nadu Innovation Initiatives (TANII) 2017-18 (Round-II) for the Block level Early Intervention Centres to be set up @ 1 per Health Unit District in 42 Health Unit Districts.

2. Based on the above recommendation, the Mission Director (in-charge), State Health Society has forwarded a proposal and requested the Government to accord administrative and financial sanction for a sum of sum of Rs.115.2 lakhs under Tamil Nadu Innovation Initiatives (TANII) 2017-18 (Round-II) for the establishment of Block Level Early Intervention Centres @ 1 per Health Unit District in 42 Health Unit Districts.

3. The Mission Director, State Health Society has stated that the Rashtriya Bal Swasthya Karyakram (RBSK) Child Screening and Early Intervention Service with an aim to screen all the children in the age group of 0-18 years for 4 Ds – Defects at birth, Diseases, Deficiencies and Developmental delays including Disabilities in order to achieve further gains in improving the quality of life of children. The Rashtriya Bal Swasthya Karyakram has been launched in Tamilnadu with 797 Mobile Health Teams and 34 Districts Early Intervention Centres.

4. The Mission Director (in-charge), State Health Society has also stated that the District Early Intervention Centres under Rashtriya Bal Swasthya Karyakram have started functioning in all the 31 Districts of Tamilnadu, lot of children are being

diagnosed with conditions requiring daily intervention and many children are not brought for intervention to the District Early Intervention Centres due to long travel distance and loss of wages. Hence to avoid this, an early intervention centre is proposed to be established at block level with one Physiotherapist, Special Educator, Female Multipurpose Worker to provide Early intervention services. The Specialist from District Early Intervention Centre will be visiting the Block Early Intervention Centres once in 15 days for monitoring and supportive supervision. This ensures continuum of care, increased accessibility and good follow up and it avoids tedious travel for the parent and child to the District Early Intervention Centres at Medical College or District Headquarters Hospital and the State has already piloted Block Early Intervention Centres in

- 1) Perambalur District – Government model
- 2) Tuticorin District – 4 blocks – NGO model
- 3) Cuddalore district – 4 blocks – NGO model.

Further, it has been observed as follows:

Attrition rate of special children enrolled for follow up therapy has reduced;

Out of pocket expenditure on frequent travel and food was observed to be less;

Easy for the concerned Primary Health Centre Medical Officer to monitor the children identified for special therapy and thus ownership of the programme by Block Medical Officer is ensured.

5. The Mission Director (in-charge), State Health Society has further stated that the proposal to establish 42 Block Early Intervention Centres @ 1 block / Health Unit District to provide developmental care to the children identified by District Early Intervention Centres was forwarded to avail funding under Tamil Nadu Innovation Initiatives (TANII) of the State Planning Commission and has been approved with the following remarks:

“State Planning Commission has agreed for the establishment of 42 Block Early Intervention Centres in principle and it is suggested to have discussion with the Commissioner of Differently Abled Persons for staff component except equipment which could be met from Tamil Nadu Innovation Initiatives (TANII) fund. Hence, the commitment under Tamil Nadu Innovation Initiatives (TANII) is Rs.115.2 lakhs” as follows:
